Welcome back!

It's good to see all the children looking rested and raring to go again! They were all fantastic yesterday – really focused and ready to learn. We have lots of exciting things going on this term and hope to be able to get outside for learning as much as possible. This term we also have 2 final placement trainee teachers working in school. Miss Gill will be working with Mrs Curwen in Years 4,5 and 6 and Miss Taylor working with Miss Massey in Year 2 and 3.

Breakfast club

We are now able to take children in breakfast club from 7.50 am. The club is run by Lucy Warren and the cost for a full hour before school is £3.50. At present whilst we are building up numbers we do need advance notice for the early start– the day before is fine. Breakfast club from 8.15am costs £2 and no notice needs to be given for this.

Reminder – New website

Teachers will be updating class pages this week and also putting on an overview of the term. Class pages also have links to Reading eggs and Mathletics. We are still adding information about different curriculum areas, so keep looking to see all the exciting things that are going on in school.

Remember - school computers in the morning before school

If you would like to come into school in the morning to support your child on the computer you are very welcome to bring your child in at 8.30am and work with them until school starts at 8.50am.
