NEWSLETTER

Westmorland Gazette

Just in case you've not seen it, here is our Westmorland Gazette headline from last week! We are all feeling very proud – especially of our wonderful 'polite' pupils.

Mothers' Day surprise – celebration in church tomorrow

Everyone (mums, grandmas, aunties and the rest of the community) is invited to our Mothers' Day celebration at 2.45pm in Selside Church tomorrow. We will be taking the children's lunch boxes, book bags etc up to church so children should be collected from Church at 3.20pm.

Plants, plants, plants

You may have noticed lots of bedding plants, seeds and compost around our grounds. These along with some garden tools have been kindly donated by B&Q.

Swimathon - Thank you!

Thanks to everyone who took part in the Swimathon to raise money for school – it was great that so many children of different ages took part and I have heard that other parents commented on how well our children helped each other. Thank you to all the parents who organised it.

Stay and Play

Our 'Stay and Play' session for pre-school children was a fantastic success. Thank you so much to everyone who helped out with it. There will be another one next half-term.

SSA next meeting

The next meeting of the School Association is next Tuesday 2nd April at 7.30pm.

Bingo night!

Reminder that the School Association and community Bingo Night is also tomorrow at Selside Memorial Hall.

Easter raffle

Raffle tickets are on sale for 50p each – all proceeds to School Association.

Easter events in school next week

Next week the children will be learning about the Easter Story in RE and through different creative activities. On Thursday the whole school will have a special Easter themed PE afternoon! On Friday, Hannah Hayton has kindly offered to organise the Easter Egg hunt for the children. School will finish for the Easter holidays at 1.30pm.

Egg decorating competition

Eggs should be decorated at home and brought into school on the last day of term – next Friday. There will be prizes for each class for the most beautifully decorated egg and for the most creative idea. Last year they were amazing!

PTO

28th March 2019

Exciting news! Successful 'Awards for All' bid

We have been successful in our 'Awards for All' bid and have been awarded nearly £10,000 for play equipment to replace the equipment that had to be removed outside the Zen Den. The teachers have chosen this and it should be installed during May half term.

Summer uniform

Just a reminder that school uniform for summer is a choice of all year round uniform or blue and white checked dresses/cullottes or grey/navy shorts with school polo shirt. Please can children wear either black school shoes as usual or summer sandals that have covered toes (to prevent injury). No trainers please apart from PE. Thank you!

Classroom helpers in school

If any parents, grandparents or friends of the school would like to come and help in the school with listening to children read or helping with activities such as art or gardening, we would love to speak to you about it.

Best wishes and have a lovely holiday!

Sarah Coleman and all the staff.
