

At Selside School our Nursery provision is part of a mixed age Early Years Class. Selside Nursery creates learning and development opportunities both inside and outside of the classroom, for your child from the age of 3.

We use our extensive grounds and woodland as an extension of our classroom encouraging adventure and opportunities for independent learning both indoors and outdoors.

Miss Lowther our early years class teacher and Mrs Davies our early years teaching assistant are both extremely experienced and provide care and learning for your child throughout their early years.

Parents have available to them a variety of sessions with wrap around care up to 5.30pm Monday to Friday. Examples of the sessions are below, however we try to be as flexible as possible to fit in with your child's and your needs.
