10th June 2020

Appointment of Fixed Term Teaching Assistant for KS2 class

Thank you for your interest in working as part of the staff team and Selside School. I hope that you have been able to look at our website (including our recent Ofsted report) and gain a picture of our happy school.

In a tiny school, each appointment is vitally important as the successful applicant will be a big part of our team. The person specification details what we are looking for, but please feel free to tell us in your application about other things that you could contribute.

I have asked our staff what they think that we as a school can offer you in return. This is what they have said:

- We are a very friendly team
- It is a very creative place to work
- There are lots of opportunities to learn outdoors – it's a big part of what we do
- Staff ideas are valued and staff are expected to use initiative and develop learning themselves

Our children are keen to have someone who is caring and kind, is 'genuinely interested in us' and 'is good at explaining things'.

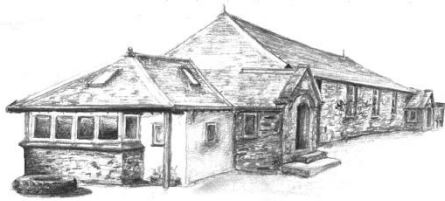

In the current circumstances we are unable to offer visits to the school but if you have any questions or would like to discuss the post, please email our Laura MacKenzie, our office manager on admin@selside.cumbria.sch.uk and she will be able to arrange for me to have a phone conversation with you.

Yours sincerely,

Sarah Coleman
