

RE Long Term Plan (Year A)

We follow the 'Questful RE' Syllabus (developed by Blackburn Diocesan Board of Education). Through this syllabus, we ensure the opportunity to develop a wide range of higher level skills such as enquiry, analysis, interpretation, evaluation and reflection, thus deepening children's understanding of the impact of religion on the world and enabling them to express personal views with consideration and confidence. We supplement Questful RE with Understanding Christianity, a resource developed by the Church of England Education Office.
