**Jubilee Celebrations**

We had a lovely day at the school Jubilee celebrations on Friday the 27<sup>th</sup> of May. Thank you to our school community for supporting our event, we hope you all had a great day. The children had lots of fun in the morning at the circus workshop, learning new skills and coming together as a team with their friends. We had lots of fantastically made boat entries for the flotilla on the beck. The children showing real imagination with their creations and many boats managed to survive their maiden voyage. It was nice to have so many people joining us for the picnic on the field. Thank you also, to the Selside School Association for providing us all with yummy ice creams.
