Questions		Strongly agree or agree	Neutral	Strongly disagree or disagree
1	School has a distinct Christian character	87%	13%	0%
2	The school lets me join in with special services and collective worship.	93%	7%	0%

SCHOOL POSITIVES

Comments made

- You make the children feel inclusive, it's their school
- It's a great little place of educational wellbeing. It's greatly balanced and well structured. All the teachers and staff are lovely caring and supportive of all the children.
- It is like a family.
- Warm welcoming family feel. Every child matters
- The way you bring in the surrounding outside space into the classroom and curriculum is brilliant. The children are always very welcoming across year groups. You have a great staff team around the school at all levels, of which it's clear the children all look up to.
- We are very happy with the school and so pleased our child is at Selside. We love the family Christian ethos with mix ages classes where my child is looked after by older children. Teachers are approachable and helpful and create a happy place where my child loves to come to school. We love that the school

promotes learning outside. Liked recent opportunity to do archery and school planetarium as it was new and my child hadn't tried it before.

- It is a happy and caring school that prioritises the whole child alongside academic success.
- As a school Selside Understand the individual child and has wonderful teachers who care and nurture our children. The Location is special and a wonderful learning environment
- Outside learning.
- It encourages children to be healthy happy and get involved with their schoolwork so refreshing to see

THE SCHOOL WOULD BE EVEN BETTER IF'S....

Comments made

- Stronger leadership
- Cannot honestly think of anything you could do to make it better
- More consistent praise can be hit and Miss and trips can be a bit repetitive or very similar
- I feel sometimes the information that is given out to parents could be simplified, email, text and seesaw. For e.g. There are too many platforms to look at. Seesaw is great tool. It would be great to see more competitive team sports introduced to go along side what is done already.
- Could provide more opportunities for experiences outside their known communities, maybe more cultural experience to know and understand others better. More original activities like archery. More museum trips. Maybe less canoeing and county show/farming as my child already experiences these in home life.
- Nothing the teachers works so hard already
- More varied school trips widening children's awareness of the country we live in e.g., Museums, city, cultural, industry Less repetition of activities throughout pupils school life

Thank you very much to parents and carers for completing the questionnaire and for your comments and responses about our school. We had 15 responses, and we have compiled the results and are pleased to present them to you.

The results of this will be discussed and shared at the next governors' meeting and with staff so that we can make our school an even better place for our pupils and parents. Parents' suggestions are gratefully received and will be considered as we set our school development priorities for the future.
