

## Summary of Parent & Carer Survey:

Spring Term 2024

Thank you very much to parents and carers for completing this questionnaire and for your comments and responses about our school.

We had 11 responses (45% of school families), and are pleased to present them here.

### LEARNING

29	School has a distinct Christian character	90.9%	9.1%	0%
30	The school lets me join in with special services and collective worship	100%	0%	0%

## SCHOOL POSITIVES

### Comments made

Every child is cared for and well known

There is a great community spirit within the children and parents. The new clubs at school have been brilliant especially cooking and ski club.

Keep up the great work.

A lovely community. For such a little school my children are given lots of different opportunities.

My child has been really excited about their french pen pals and their pen pals in Manchester.

Lots of extra school clubs- my child has really enjoyed sports clubs, cooking club, lego club and ski club.

My children love school and their teachers.

My children love music and performing in concerts. My eldest also loves her French, history and science lessons.

Warm and welcoming staff that are always there to help- the teachers know my children and they are nurtured by all staff.

The schools move to use Seesaw for all messaging and communications has made it much easier with everything in one place. My children are always talking about the school values at home and I think it guides how they are as little people.

(Is the box big enough?)

Its a small family/friendly feeling place where everyone is happy and learning well . The staff are all inclusive and happy to help .

Selside is a caring school and is always responsive to any needs for support or input.

Selside helps children feel they belong and helps them develop to their best ability.

Selside helps children with their self worth.

Creating a caring family feel where all the kids mix well between different ages. The staff all clearly know the pupils so well. I love that the pupils run clubs for other pupils and are given opportunities to take a leading role.

The school is all encompassing and makes the learning fun, our children thoroughly enjoy it

## THE SCHOOL WOULD BE EVEN BETTER IFS....

### Comments made

Can we improve the quality of the school meals? My child has complained that sometimes the meals are always tasty.

Look for more environmental opportunities for a more sustainable future.

It had after school and lunchtime clubs for younger and extra curricular subjects for younger children to explore.

There was more outdoor learning. There was more support to reduce poor behaviour and attitudes of some children.

Can think of nothing

**The survey results will be discussed and shared at the next Governors' meeting and with staff so that we can make our School an even better place for our pupils and parents.**
